The furniture sanctioned in the G.O. cited for the quarters of the Technical Expert were being used by Mr.Peychaud while he was put up in the Bangalow attached to the Kollegal Silk Filatures, Kollegal. The General Manager's quarters vacated by Mr. Chou will be required for occupation by a Business Manager to be appointed in the near future. Further, these quarters are used by officers visiting Kollegal on duty and unless they are furnished, it would not be possible for them to use the quarters. It is therefore necessary to make permanent arrangements to furnish the quarters of the Manager, Kollegal Silk Filatures which is a Madras Government concern. I recommend

Please see the notes of this Department on pp.4-5 N.F. of G.O.No. 2007,Def dated 8-5-1944 and the D.C.I's report on p.3 above. The buildings were in occupation as far back as April 1943 and it is not apparent why it should have taken so long to assess the capital cost and standard rent for the buildings. As, evidently the officers who occupied buildings were not entitled to rent-free quarters, a rent on a provisional basis should at least have been recovered till now. The report on p.3 above would seem to indicate that the D.I.G. has taken steps to assess the rent only after the Government had asked about it.

The Secretary to Government, Development Department.

Sir,

Sub: Buildings - Silk Filatures at Kollegal - Quarters for officers - Recovery of rent -

Ref: This office letter No.640-E/44 dated 12-12-44 -

In continuation of my letter cited, I enclose a statement showing the following particulars in respect of the quarters at Kollegal

(a) the periods for which and the officers by whom the quarters were occupied.
(b) the monthly rates of rent including rent for furniture to be recovered.
(c) the amounts due from the occupants to end of November 1944 and the amount collected so far.

2) Mr. Y.T. Cho occupied the General Manager's quarters at Kollegal from 21st April to 4th June 1943. In view of the fact that he stayed for a short period and that no contract was entered into with him, empowering the department to collect rent, the recovery of rent from him for the short period of his stay was waived. I request that in the circumstances stated above, my action in having waived recovery of the rent may please be approved.

3) As regards recovery of rent from the officers visiting Kollegal, the following is the position:-

For the most part, the Manager's quarters which were intended to be reserved for the use of the visitors remained vacant. The officers who visited Kollegal are Professors from the Indian Institute of Science, Sri Subramaniam and Sri S.C. Pillai. Their visits were in connection with the testing of bore-well water. The Government Pleader, Coimbatore who visited Kollegal in connection with the arbitration enquiries also occupied the quarters. The visits by the above persons are infrequent and are not a regular feature. As regards visits by Government of India officers, these are rare and mostly fleeting. Instead of leaving the bungalow vacant for long periods inconveniencing the Assistant Manager whose presence is always required at the filature, I considered it best to accord permission to him to occupy it temporarily subject to payment of rent as per rules, setting apart a room and a bath room for the use of the visitors. As the building was not exclusively placed at the disposal of the visitors and only 2 rooms have been actually set apart for them, the need for recovery of rent from them has not so far arisen. Steps were taken to assess the rent as soon as the cost of electrification of the quarters was determined.

According to the information available, the position ~~is~~ is as follows:-

Government Silk Filatures, Kollegal.	(1) Technical Experts quarters furnished at a cost of ~~Rs~~ 1000 only	Now occupied by ~~the~~ Mr. Peychaud, General Manager (who is ~~drawing~~ drawing a pay of Rs 2,000)

The proposal is to purchase furniture for item (3) above at a cost of Rs 1,000 - on the same scale as for items (1) and (2)

As item (2) is vacant, the D.I.C. was asked why the furniture belonging to this could not be used for item (3) He says that the quarters will be required for occupation by a Business Manager to be appointed in the near future and that further these quarters are used by Officers visiting Kollegal on duty and, unless they are furnished, it would not be possible for them to use the quarters.

The proposal and the draft order may be accepted.

The three quarters in question are Govt. buildings. It is not known whether rent as for Govt. buildings (residential) is being collected from the officers concerned or they have been granted specifically rent free concessions, and if rent is recoverable, whether it includes rent for furniture also.
